Cautionary note

Certain statements in this presentation regarding the business of Barry Callebaut are of forward-looking nature and therefore based on management’s current assumptions about future developments. Such forward-looking statements are intended to be identified by words such as ‘believe’, ‘estimate’, ‘intend’, ‘may’, ‘will’, ‘expect’, and ‘project’ and similar expressions as they relate to the company. Forward-looking statements involve certain risks and uncertainties because they relate to future events.

Actual results may vary materially from those targeted, expected or projected due to several factors. The factors that may affect Barry Callebaut’s future financial results are discussed in the Full Year Report 2018/19. Such factors are, among others, general economic conditions, foreign exchange fluctuations, competitive product and pricing pressures as well as changes in tax regimes and regulatory developments. The reader is cautioned to not unduly rely on these forward-looking statements that are accurate only as of today, November 6, 2019. Barry Callebaut does not undertake to publish any update or revision of any forward-looking statements.
