

## Quality Vision

- Together we strive to be the **most trusted partner in food safety and quality**, ensuring every product meets the highest standards.

## Quality Mission

- At Barry Callebaut we do not compromise on **Food Safety and Quality**.
- We leverage our **expertise and knowledge to set and exceed industry standards and international regulations**.
- We maintain a **culture** where everyone raises their voice for food safety and quality to achieve our **zero defect** ambition.
- We dedicate **all necessary leadership, resources and training** to achieve our Quality mission and remain the heart and engine for the chocolate industry.
- Our **passion** for our products and **pride in our company's history and heritage** drives **continuous improvement** to exceed our customers' expectations.
- We take great care in **protecting our customers, their brands and their consumers**.
